*The North Dakota University System offers programs that range from certificates to doctoral and professional degrees. This table can help you best match a campus with your career goals. A student who plans to transfer to another NDUS college or university should verify that the institutions have transfer agreements in place and have outlined a recommended course of study in the college catalog. An asterisk (\*) indicates the program may also be offered through distance education.*

## North Dakota University System Campuses

Organized as a system in 1990, the North Dakota University System is made up of 11 public colleges and universities governed by the State Board of Higher Education. The NDUS is composed of two doctoral-granting institutions, two master's-granting institutions, two universities that offer baccalaureate degrees and five campuses that offer associate and trade/technical degrees. Each institution is unique in its mission to serve the people of North Dakota.
